Instructions for Completing AB 1045 Common Outpatient Procedure Form

1. Enter Hospital Name and OSHPD Facility Number. Revise Effective Date of Charges, if necessary.
2. Enter Average Charge for at least 25 commonly performed outpatient procedures. For Evaluation & Management Services, do not include related ancillary charges. For all other procedures, include related ancillary charges.
NOTE: The CPT codes are included on this form to help identify the listed procedures based on the frequencies across hospital-based ambulatory surgery data. The average charge for all related services and procedures (e.g., supplies, drugs, lab, use of operating room, etc.) should be included in the average charge for that procedure.
3. Do not change procedure descriptions or CPT code references. Use "Other Common Outpatient Procedures" (rows 62-71) if you are unable to select procedures from list.
4. Submit completed form as Excel (.xls) file, along with chargemaster and percent change in gross revenue calculation, by e-mail to chargemaster@oshpd.ca.gov or by standard mail on CD.
